Study Major: Wood and Brass Instruments
AM: Flute, Saxophone, Trumpet, Trombone, Tuba, Harmonica
Free Choice Modules and Electives

Free choice modules and elective modules are allocated according to the available places, as well as previous knowledge that is required for participation. The selection of these subjects, which are selected areas of focus, is basically left up the students. A substantive vote given by the MAS (Main artistic subject) tutor is recommended, as well as compliance with the guidelines for the quantitative distribution throughout the course of studies. These are specified in the study plan. Free choice modules and elective modules are allocated according to the available places, as well as previous knowledge that is required for participation. In principle, every subject offered at the JMLU can be taken as an elective module subject (compulsory modules are given priority over electives).
